YAMAWA International Co., Ltd.

Change in the product symbol

Spiral Fluted Taps for Carbon Steels of Medium Hardness through hole use MHSL Roll Taps for Medium Hardness Carbon Steels MHRZ

The ultimate machining taps Z-PRO MHSL and Z-PRO MHRZ, optimized for machines, have been added to the popular MHSL and MHRZ series for medium-hard carbon steels.

In order to identify the products, the packaging marking on the product case of conventional products (JIS OAL) will be changed to "MHSL-J" and "MHRZ-J". Product codes and markings will remain unchanged.
